Press Release

A New Chapter: Visplay joins the L&S Group

Weil am Rhein, 21 May 2025 – Visplay, a leading developer of modular systems for commercial interiors, is now part of the L&S Group, an international specialist in integrated LED lighting solutions. This partnership combines expertise to deliver future-ready solutions for the global retail and interior architecture markets.

For decades, Visplay has stood for high-quality, flexible, and sustainable system solutions. These are valued by architects, designers, and global brands alike. With a focus on creating adaptable, dynamic, and forward-thinking spaces, Visplay is committed to the highest standards in design and function. This strategic direction will now be further strengthened through collaboration with L&S.

A partnership with vision

Visplay delivers commercial interior systems for brands such as Puma, JD Sports, and BMW. As part of the L&S Group, Visplay will expand its global reach and benefit from a platform that combines deep lighting expertise with a strong customer-centric approach. Both companies share core values: quality, innovation, and commitment to customer needs. These principles form the foundation for a long-term and successful partnership.

"Visplay is ready for its next phase of growth, and we've found the right partner in L&S to continue shaping our vision of modular, connected spaces," says CEO Christian Vetterer.

Modular systems meet lighting technology

With six production sites worldwide and operations in over 70 countries, the L&S Group brings global scale and manufacturing expertise. By joining forces with Visplay, L&S expands its portfolio to include modular systems that seamlessly integrate light and structure. This synergy combines the strengths of both companies: L&S's advanced lighting technology and Visplay's modular solutions – to deliver tailored, high-quality environments that meet evolving commercial space demands.

New impulses with familiar foundations

Visplay's headquarters and showroom will remain at the Vitra Campus in Weil am Rhein. For existing customers and partners, operations will continue as usual. All ongoing projects and business relationships remain unchanged.

Together with the L&S Group, Visplay is looking ahead: with integrated solutions that rethink space and drive long-term transformation.

About Visplay

Visplay is a global developer and manufacturer of interior and space defining systems, headquartered in Weil am Rhein, Germany. For over 85 years, the company has set standards in design, functionality, and quality. Initially rooted in shopfitting systems, Visplay now offers a broad portfolio of solutions that extend far beyond the retail sector.

Visplay's products are known for their flexibility and adaptability, finding applications across various industries. They enable a multitude of design possibilities that meet the diverse demands of modern commercial spaces.
